YOU CAN RUN BUT NOT FOR LONG

Our officers from Sutton North Safer Neighbourhoods Team, were on patrol in plain clothes on the Benhill estate when they spotted a vehicle believed to be involved in the supply of Class A drugs. Upon seeing police, the vehicle attempted drive off. Realising he had been boxed in, the male decamped from his vehicle and made off on foot. The suspect was soon caught by PC Angel and detained before being taken to Sutton for a further search.

The suspect obstructed the drug search and was arrested. Dog units attended the scene and found a set of keys discarded by the suspect.

These keys were taken in a robbery just moments before on the Benhill estate and the male was further arrested for robbery.

Whilst searching the suspect's car a mobile phone was found which was constantly receiving messages asking for Class A drugs (Crack cocaine & Heroin). Due to this the male was also arrested for being concerned in the supply of Class A drugs.
